## 1. The Original

... the air festival, hosted by friends for friends, grew into a very short time from the local tip to the fixed size in European airspace. The guest list is elitist as sonorous, not everyone gets to enjoy dancing in the sky and on the ground floor to be a part of scalaria Event Creation. Thanks to a breathtaking staging the meeting the majestic air Highnesses has established itself as a "place to be" for global celebrities in the fields of economy, culture, art and media.

Be amazed, be inspired, and entertained.

### Dipping and lifting

It's the idea that matters and it remains the staging that makes the difference. The seal of approval as a superior Eventresort has scalaria worked also and above all thanks to its in-house productions. Here recourse is had to the stunning natural backdrop that binds the elements of water and sky as the main actor.

For the 10th anniversary of the scalaria we look forward to the Jubilee Overture of historical seaplanes, from selected historic aircraft. The Happening by friends for friends has grown over the past 10 years into an international premium spectacle whose flair lapsed many Interpreneure.

Exciting conversations, good acquaintances and an inspiring show.

Come with us the flaps of us be our partner!

We look forward to you!

From the Flying Bulls to up to historic hydroplanes: The scalaria Air Challenge makes its visitors in be astonished.
