1. The Original

The heliport in Kilb is operated by the company Heli Line:

Heli-Line was founded in 1994 and looks back on 20 years of success. On our competencies in addition to countless individual customer trust also renowned companies, photographers and television. We fly regularly for ORF, ATV, Puls 4 and P3tv. Furthermore include celebrities and politicians such as Thomas Morgenstern, David Alaba, Hermann Maier, Ralf Schumacher, Christina Stürmer, Herber Prohaska, Michaela Dorfmeister, Rainer Pariasek and LH Erwin Proell to our customers.

We use only the safest and best sightseeing helicopter branded Robinson, in which every passenger gets a window seat, and thus enjoys an excellent view.

Our proprietary Heliport is surrounded by a beautiful natural in the beautiful Mostviertel. All helicopters are parked in the hangar until 2011 built and find best protection against wind and weather! In modern hangar, which is also used for maintenance, can be accommodated up to 10 helicopters.
